Aitor Soroa received his PhD in Computer Sciences in 2004 at the University of the Basque Country. He is currently an associate professor in the CSAI Department at the University of the Basque Country since 2008. He has published more than hundred referee articles in NLP, mainly in the areas of Lexical Semantics and Linguistic Annotation Frameworks and Systems. The publications include journals indexed by the Journal Citation Report (JCR), papers on top conferences (CORE A and A+). He has participated in several European projects (NewsReader, MUSTER) and in several Spanish National projects (READERS, ELKAROLA). He routinely reviews for the most important conferences and journals in the field.
